

ALLAN DRIVE GAZETTE

MASSIVE CHANGES INCOMING!

The Allan Drive Gazette has always been printed on paper. Paper has its limitations and boundaries and is not future proof. It also wastes a lot of resources that could be used for other purposes.

And that is why the Allan Drive Gazette is doing what no other thought of doing.. Making a website to make it much more easier to access the gazette!

People might worry that the gazette will be entirely online but do not worry, because we will still be making paper copies of the gazette and giving it out to classes.

WHAT'S GOING ON? ??

SUMMER IS ALMOST HERE!

The summer is almost 2 months away, party time!

But for the student council this is one of the most stressful times of the year!

Student council has been working hard planning for grade 8 graduation! They have had many road blocks such as finding slushie machines.

Thankfully, rentals have been promising. Lots of planning has gone into this graduation as there will be lots of food and fun activities to look forward too.

Let's hope they can get this all planned out before the end of May. Another part of the school that is under pressure is all those involved in Madagascar Jr. The show is set to be preformed May 16 - 19th. Rehearsals are every recess and a lot of hard work has been put into this Musical.

Hopefully deadlines can be met, for both these events.

OFFICE MANAGERS DO MORE THAN YOU THINK

Office Managers do much more than just attendance. Without them, you could be kidnapped on your way to school and no one would know.

Office managers have to deal with piles of paperwork every single day. That gets pretty stressful especially when they also have to deal with misbehaving students.

Their job is very stressful so make sure to say something nice to them when you meet them.
